Adrian Cooney

PROFILE

Full stack developer and designer with 5+ years of experience and a passion for art, programming and learning. I'm self-taught, a creative problem solver and willing to dive into any challenge.

EDUCATION

Patrician Highschool, Carrickmacross
2006-2012 *Leaving Certificate*

Engineering Undenominated, NUI Galway
2012 *1st year, 2nd class honours*

Computer Science, NUI Galway
2013-2016 *Graduated, Bachelor of Science*

EXPERIENCE

Teamwork.com **(2015 – Current)**
Working on the Chat Team developing Teamwork Chat, an internal communication tool for companies to complement their suite of enterprise software (Projects and Desk).

Boxfish **(2014)**
Developed Boxfish's realtime systems, created visualizations and dashboards for their Live Topics API, designed and maintained a large Javascript library for their API.

Freelance, bjdelectrical.ie **(2012)**
Designed and developed an online e-commerce website for BJD Electrical. Work also involved managing domain, hosting, adding existing stock catalog online and billing system.
